"Draw near to God and He will draw near to you." James 4:8

In our first Bible lesson this year, the saved children were challenged to "Spend time with God every day", and we explained how to have a Quiet Time with God so they could **draw near** to Him. The review paper asked for the book of the Bible that they would begin reading. Several children wrote the book of "God". That seems to say it all! We are praising God for the 194 children (and growing each week) who have enrolled in one of our classes. Many do not have a Bible to use for a Quiet Time, and that is one way your gifts provide for the children.

Special Projects

"Do you have any special projects that we can help with?" We are often asked this question from our faithful donors. These are a few of our present needs:

1. **Dimes** for the children to earn for our missionaries.
2. Released Time Class **transportation fund**. (Cost-\$195.00/week)
3. Donations to cover the cost of **Bibles** and Quiet Time papers.
4. Funds to pay for **Christmas gift bags** for each Released Time Class student. These are filled with goodies & a Gospel of John for the children to share Jesus with a friend or family member.

THANK YOU for helping the children **draw near** to God.
