*Jesus Christ the same yesterday, and today, and forever.*

It is such a privilege to share with the children in our Released Time Classes that Jesus never changes! So many come to us knowing nothing of God's love or of the salvation offered to each one through God's Son. As the children are "interviewed" one-on-one, we also discover that many have already made the decision to receive the Lord Jesus as their Savior (often during one of the first classes), but they have no Bible of their own, do not attend church, and have very little knowledge of God's Word. We love to impress upon them that God loves them and *Jesus is the same*... We want to help them to grow in their walk with God.

Our class enrollment remains at 204. Some have moved away or stopped attending due to their studies, but we are grateful for each child and the 7 who have asked Jesus to be their Savior from sin! Thank you for partnering with us in this vital ministry to the boys and girls in our county.

YOU can share Jesus with the children in your neighborhood! Call us to schedule a special holiday club for Valentine's Day or Easter. All you need to do is open your home or church, invite the children, and provide a snack. It's a fun and easy way to reach the boys and girls in your area with the Gospel.

*Save  
the Date*

We are celebrating the 80th anniversary of Child Evangelism Fellowship of Susquehanna County this year! Plan to join us at our ministry banquet on **Thursday, April 16, 2026**. *Jesus is the same*... but we have new answers to prayer, stories about the children, and many praises to our Lord to share.
