Choconut Released Time Class Spotlight

The team working in the Choconut Released Time Class know the joy that is found in serving in a small class. Becca Woodford, Lucille Froehlich, and Dave and Donna Kosik have the privilege of getting to know the boys and girls on a more personal basis than those teaching a larger class.

Children are bussed from the Choconut Valley Elementary School (Montrose School District) to the Choconut Township Building each Wednesday. We are grateful for the use of this facility! The class has an enrollment of 10, with 6 attending on a regular basis. Please be in prayer that these students will enjoy the individual attention and continue to invite their classmates, and most importantly-come to [trust](#) Jesus to free them from sin!

Lathrop Street Released Time Class Spotlight

Lathrop Street Elementary students meet for class on Tuesdays at the Montrose Bible Conference/Montrose Bible Church building. Praise the Lord for each team

member (several of whom serve at several classes): Rose Ann Clough, Lucille Froehlich, Dave and Donna Kosik, Amy May, and Chery Schreck. In spite of a scheduling conflict for a number of students, 10 children eagerly arrive each week, ready to learn more about God and the Bible. So many of our clubbers know nothing of who Jesus is or what the Bible teaches! Praise God for the 3 children who have [trusted](#) in Jesus to be their personal Savior.

Kid's Christmas Craft-About 70 children made a gift or two.

98 gifts were made! We are grateful for our volunteers and the contacts we made with families.
