

Memorial Gifts:

Many of our donors choose to designate their gift to Child Evangelism Fellowship in honor or in memory of a loved one. These gifts are set aside to be used for special projects such as property upkeep. Recently these gifts have provided teaching materials for our staff and volunteers, camp scholarships and supplies, as well as Bibles and special treats for our students. With your gifts we are able to help the boys and girls in our county **come** to know Jesus as their Savior. The children in our Released Time Classes have enjoyed "treat bags" filled with snacks, crafts, prizes, and some form of the Gospel. They often ask about these bags and look forward to receiving them! Thank you for giving so generously.
