The **Good News** Booth at the Harford Fair

Wondering where

You might find us at the fair?

You won't find us

On the Good News Bus,

Instead take a walk through Vender Hall

And look for the Wordless Book colors hanging on the wall.

The Good News Booth- Where each child is told:

Yellow is for Heaven- where there's a street of gold.

Black is for our sin

Unless you ask for forgiveness, you cannot into Heaven enter in.

But wait- there's Good News because the next thing we say

Is how God loved us so much that He made a way.

Through the color that is red

Which reminds us of Jesus and His blood that He shed.

Jesus died, was buried, and came alive again on day three

Oh, what great love He has for you and for me!

And when you put your trust in Him

Into your life He enters in.

Your heart is then white as snow

And the next thing you will do is begin to change and grow.

We aren't talking about bigger and taller, but how you will change on the inside

Because now Jesus in your heart will always abide.

They come in the booth by ones or twos

And are encouraged to go and tell others the Good News.

So, when you are tired from walking a mile

Stop on by for a hug or just a smile.
