### Special Projects

*...be thankful unto Him, and bless His name. For the Lord is good...*

Psalm 100:4-5

We give thanks to the Lord for the many ways He has provided over and over again-through YOU! Often we are asked what special needs or projects CEF has at any particular time. These are a few of the ongoing needs during the school year:

1. **Dimes** for the children to give to our missionaries.  
-Earned when saying a memory verse or completing the Bible Take Home paper.
2. Released Time Class **transportation fund**.  
-Bussing costs have increased this year.
3. **Bibles** for the children who do not have one of their own.  
-Many Bibles are given out during the school year.
4. **Christmas gift bags** for each Released Time Class student.  
-These are filled with goodies & a "gospel worm" for the children to share Jesus with a friend or family member.

(Please designate if you are giving toward one of these projects.)

**THANK YOU** for being faithful in giving so that many children in our county can learn more about Jesus-and have fun while they do it!
