### “Kids’ Christmas Craft”

What fun we had as over 60 children stopped by to make a Christmas gift! Some of the boys & girls return every year. Others visit because they want to do as many activities as they can while taking part in “Christmas in Montrose”. We are thankful for the opportunity to share the reason why Jesus came. Many thanks to the Montrose Bible Conference for sharing their space!

### Released Time Class Spotlight: Lathrop Street & Blue Ridge

Both of these Tuesday classes have grown a great deal in the past few years! Praise God for the five workers who meet with 22 Lathrop Street Elementary students. The Blue Ridge class has increased by about 40 since 2021! We are thankful for the team of six, as well as several “substitutes”, who work with this class.

*...It is not the will of your Father which is in Heaven that one of these little ones should perish. Matthew 18:14*
